

The Chinese University of Hong Kong Centre of Strategic Environmental Assessment for China

will present a seminar

STRATEGIC ENVIRONMENTAL ASSESSMENT: EXPERIENCES, TENDENCIES AND RESOURCES IN THE WORLD BANK

BY

Mr. Juan D. Quintero

Senior Environmental Specialist of the World Bank

Language: English
Date: 6th November 2009 (Friday)
Time: 16:30 ~ 18:00
Venue: Room 233
Wong Foo Yuan Building
Chung Chi College, CUHK

About the speaker:

JUAN D. QUINTERO is a Senior Environmental Specialist for the East Asia and Pacific Region of the World Bank with over 25 years of experience in risk assessment, mitigation and compensation of environmental and social impacts of development projects. He has done extensive work in managing environmental assessments and management plans of large infrastructure involving complex environmental and social issues. Mr. Quintero has coordinated the preparation of Strategic EAs in the energy, transport, tourism, water and sanitation sectors and has trained over 300 high to mid level government officials in SEAs in many countries throughout the world. He was recipient of the World Bank's Annual Green Awards for mainstreaming environment in several projects; and received the Regional Award by the International Association for Impact Assessment (IAIA) for the 'promotion of quality of Environmental Impact Assessments in Latin America' in 2001.
